

## Eva Väljaots & Robbie Sherratt – Tech Rider

Instrument	What we have	What we need
Robbie's vocals		Microphone
Fiddle	Contact Mic & Pre-Amp	XLR +48V
Hiiu kannel		Condenser Microphone
Eva's vocals		Microphone
Kannel 1		Condenser Microphone (will be used for all the kannels)
Kannel 2	Contact Mic	DI Box
Kannel 3	Contact Mic	DI Box
Laptop		Aux Cable

The condenser microphones should be on short mic stands and we also need two armless chairs.

We would like the kannel to be muted between every song as it will be re-tuned.
